

Roos News August

Welcome to Roos News

And just like that our regular season games are over and it is FINALS time! We have had many a round washed out due to La Nina and her consistent rain as too with our training sessions. However we are out the other side, hopefully, and ready for more footy!

While most of our teams get to play finals footy, we want to make a special call out to the u9s Blue, u10s and u11s players and coaching staff for respectively taking out minor premierships in their age groups. It's the most successful we have been in recent memory and is an awesome achievement for each team as well as the club. Also a special mention to the u14s Tag who narrowly missed out on their minor premiership.

Under 15s

With the regular season over for another year, we would like to shout out to our u15s boys who sadly have wrapped up last week after narrowly missing out of the 2022 finals series.

It was the season that could have been for our u15s team.

As our most senior team in a long time and with plenty of new faces in the squad this year, there was excitement around the team for the season ahead.

Starting the season strong with 5 wins on the trot, the team became a victim of their own success and were promoted into the Gold division to take on the best of the Manly Comp.

Some strong performances were put on early which gave hope that the team could continue through to the finals plus seven players were selected for representative duties in the Bears Development Squads. Congratulations to James, Taj, Archie, Jaykob, August, Harrison and Nathan for an awesome representative season.

Despite the team struggling to get a consistent squad on the field each week they continued to turn up and put in some brave performances against the stronger Manly teams. Ultimately a number of close losses took its toll on the ladder and the boys have just missed out on playing finals footy this year.

We are extremely proud to have this squad and their achievements! Our club can't thank you enough for pulling on the Roos Jersey this year.

We are super excited for next year and what will come as the team moves to Sunday footy.

Thanks to Brett, Craig, Mary and John who have been integral in keeping this team on the park each week.

End of Season Event

After two years of lockdowns and Covid restrictions we are finally able to organise an end of season event! The players will get their presentation day so why shouldn't the adults get to celebrate too!

Come join us at the Fernery in Mosman for canapés and drinks which are all included in the ticket price. There will be celebration, music and we will be awarding our Club Person of the Year and our Coach of the Year.

You can use a \$50 Parent NSW voucher when you book. So rather than letting them expire in October put it to good use! 💪

Tickets are limited due to venue's room capacity.

Sponsors

Our Sponsors are our #1 supporters, and the best way we can say THANK YOU is to support them back!

We can do that in many ways:

-  Hop on over to their website
-  Follow them on their socials
-  Buy their products
-  Use their services
-  Recommend them to your friends and family

We as a club are so grateful as we have able to grow year on year with the generous contributions from these sponsors!

On game day you will see Bali Flags lining the path of our GOLD sponsors along with our media wall. With one more home game left on 20 August we encourage anyone who would like to, to take a photo of their child at our media wall and share it! It is a great way for our community and surrounds to get to know who these wonderful businesses are.
